St. Francis de Sales Cathedral School does not discriminate on the basis of color, race, sex, or ethnic origin in administration of educational policies, admissions, procedures, co-curricular activities, and/or other school related programs.

MISSION STATEMENT

In the tradition of excellence established by our founders, the Marianite Sisters of the Holy Cross, St. Francis de Sales is a family-oriented parish school. St. Francis de Sales serves the children of St. Francis de Sales Parish, the surrounding Catholic parishes, and those children of other faiths who respect our values and beliefs. St. Francis de Sales offers a strong academic curriculum and a variety of co-curricular activities with an emphasis on Catholic faith and values, fostering the love of God and reverence for all life. We provide Catholic education in a safe and disciplined environment that recognizes and respects the uniqueness of each child.

ST. FRANCIS DE SALES CATHEDRAL SCHOOL PHILOSOPHY

St. Francis de Sales Cathedral School is a Christian community of believers, which has the opportunity to be unique and the obligation to be contemporary. A basic aim of St. Francis is to communicate spiritual values that enable each individual to live a new life in Christ, and to build a new earth by living the Good News.

Keeping in mind that families are the first to communicate the Christian faith to their children and to educate them, our school community makes generous efforts to help parents fulfill their duty. It is our aim to be aware of each child's uniqueness, and it is our purpose to provide an educational setting involving a special degree of parent-school interaction and involvement with emphasis on family education. Students, families, and staff are given the experience of Christian community at worship, work, and play as an introduction to a lifestyle that takes its meaning and thrust from Christian community life.

Catholic education is a privileged means of ensuring the presence of a Christian mentality in our present-day society. Thus, St. Francis de Sales Cathedral School accepts the responsibility of contributing to this mentality by developing individuals who lend a Christian emphasis to the secular community, and who are a vibrant force in the building and maintenance of this community.

Therefore, students are provided with an orderly and serious academic environment. They are stimulated to relate their study to real life situations that will prepare them for survival in the world outside the classroom. The latest approaches in education are examined and utilized with an emphasis on innovation in organization, content, and method.

Value is placed on the development and enrichment of each student's self-esteem, self-confidence, values, morals, and knowledge for their personal development. The imparting of this affective task demands that all believers--families, students, staff and administrators--reveal the Christian Message by providing a prayerful, continually supportive environment, characterized by understanding, gentleness, and sensitivity to the attitudes, feelings and beliefs of others.

PARENT ORGANIZATIONS

1. Advisory Council

The Advisory Council serves as a consultative and advisory board. It assists the administration in the formulation of school policy. Communication with advisory council members over school matters should be made in writing through the school administration office.

Members of the Advisory Council consist of:

- Pastor/Rector of St. Francis de Sales Cathedral (ex-officio)
- Principal of St. Francis de Sales Cathedral School (ex-officio)
- Assistant Principal of St. Francis de Sales Cathedral School (ex-officio)
- Seven elected members

The Pastor/Rector and Principal shall seek members through nominations and volunteers, to be voted on by the present board for staggered two-year terms. The council is responsible for developing local policies, for implementing diocesan policies, ensuring the financial stability of the school, and maintaining supportive relationships with school administration and faculty.

2. Parent-Teacher Co-Op Club

The primary purpose of the club is to encourage cooperation between the home and the school in discharging the responsibilities of both.

The Parent-Teacher Co-Op Board consists of the administration and two elected representatives from each grade level. These representatives serve staggered two-year terms and are elected by parents of students.

All parents and guardians are members of the Parent-Teacher Co-Op Club and are encouraged to attend the meetings. Active participation will guarantee a greater knowledge of school operation and better communication between home and school.

3. Parent Volunteers

These parents support and assist the teachers with classroom duties and enrichment programs. All activities are subject to approval by the classroom teacher and administration. Parent volunteers also provide services to the entire school through seasonal activities. Any parent volunteer must have completed Safe Environment training as mandated by the diocese.

ADMINISTRATIVE POLICY

The school administration of St. Francis de Sales Cathedral School reserves the right to interpret and administer all policies and procedures of the school to best meet the needs of the student population as a whole.

The administration retains the right to amend the handbook for just cause. Parents will be given prompt notification if changes are made.

The student handbook is subject to enforcement of all state regulations as issued in the Non-Public Commission Handbook and in diocesan regulations as published in the Handbook of Policies for the Diocese of Houma-Thibodaux.

FINANCES

1. Tuition

A family must pay the total amount of tuition for the upcoming year to the school by a designated date or finance the tuition through a bank plan chosen by the school. A late fee will be assessed if the tuition fee is not paid by the due date. If a parent chooses to finance the tuition through a bank loan and the loan becomes 30 days delinquent, the school will send a letter to the borrower. The borrower will have 15 days to bring the loan current. After this time, if the loan is still delinquent, the bank loan will be closed and no further financing will be allowed through our school tuition loan program. The loan balance must then be paid to the school or the parent/guardian will be asked to withdraw their child from school.

No child will receive grades online or receive a report card at mid-year or at the end of the year if outstanding bills have not been paid or no contact has been made to the school administration to explain the circumstances.

No child can be accepted for the upcoming year if tuition and all outstanding bills are not paid.

Registration for the upcoming year will not be taken if current tuition loan is delinquent. Registration will be forfeited and the student's place will not be held.

2. Registration Fee

The registration fee is payable at the time of registration to insure the student's place in school the following year. This fee is not refundable. Registration will not be accepted for any student whose tuition is not currently paid. A late fee will be assessed if the registration fee is not paid by the due date.

3. Student Fee

The fee must be paid at the designated time of registration. The student fee for each student covers the costs of insurance, books, standardized testing programs, instructional materials, and a diocesan assessment fee.

This fee is refundable **only** to families who move out of the geographic boundaries of the Diocese of Houma-Thibodaux before the start of the school year.

4. Supply Fee

This fee, which is included in your registration payment, covers the cost of school supplies needed by the student to begin the school year.

5. Technology Fee

Technology fees are assessed to help with the cost of computer maintenance and upgrades, as well as the purchase of computer software.

6. Resource Fee

Resource/Project Read/Lips students are assessed additional fees to defray the cost of necessary staff and services. These fees will be added to the tuition fee for students who utilize these services.

7. Lunch Fees

Lunch fees are due at the time tuition is due or is included in the tuition payment plan.

8. Breakfast Fee

Breakfast fees must be paid daily or paid in advance to the cafeteria.

9. Fee Payment

Tuition, lunch, and any applicable additional resource fees must be paid either in full by a designated date, prior to the upcoming school year, or may be financed through the school tuition loan program.

10. Extra Curricular/After School Care Programs

Fees for extracurricular programs and after school care will be handled through the individual programs.

11. Collections/Solicitations

No collections may be made in the school without the consent of the administration. The sale of any goods (popcorn, cookies, candy, raffle tickets, etc.) sponsored by organizations other than St. Francis de Sales Cathedral School is not allowed.

12. Memorial/Endowment/Donations

The Library Memorial Fund and an Endowment Fund have been instituted for those wishing to make donations in memory of a deceased individual or in honor of a living loved one. The Library Memorial Fund enhances our school library with new books and media in the name of the person being honored. The name of the person being honored or remembered is written in the donated book. The Endowment Fund has been established for support and maintenance of the school. Contributions to either of these funds can be made at any time to the school office. Any donations made to St. Francis de Sales Cathedral School will be used according to the benefactor's request.

13. Annual Fund

An Annual Fund Drive is held each year at St. Francis de Sales Cathedral School. All members of the school family are encouraged to contribute prayers, a monetary gift, or both, to this drive. This fund drive is our primary means of keeping tuition increases to a minimum and also helps finance identified projects which improve the school facilities and enhance educational programs.

SCHOOL HOURS

PS – 7th grade 8:00 A.M. – 2:55 P.M.

The school office is open from 7:30 A.M. - 3:30 P.M., Monday through Friday, during the school year. The office is closed on those days when students are not attending school.

ATTENDANCE

1. Absences

Prompt and regular attendance at school is essential for successful class work. Doctors' and dentists' appointments should be made after school hours. Students must attend a minimum of 160 school days in order to be promoted to the next grade level. Any absence must be explained by a dated note signed by a parent or guardian. **THE STUDENT MUST PRESENT THE NOTE ON THE DAY HE/SHE RETURNS TO SCHOOL.** If the student returns to school without a note after being absent, an attendance notification will be issued. Students who receive two attendance notices within a nine-week period will serve a supervised, one hour study hall on an assigned Friday afternoon. An absence of 3 or more consecutive days may require a doctor's note for the student to be readmitted to class. If your child will be absent, please call the school office by 9:30 A.M. to inform us.

- **Excused Absences:** Excused absences are permitted for student illness and student medical appointments. With an excused absence, a student has full make-up privileges for all missed classroom work or tests.
- **Unexcused Absences:** Unexcused absences include (but are not limited to) truancy, missing the bus, oversleeping, car problems, and not having a note for re-admittance. Students will receive an attendance notification for an unexcused absence. Failure to return the signed unexcused absence slip will warrant a demerit. If a student receives two unexcused absences in a 9 week period, he/she will be assigned a study hall. Unexcused absences which are excessive and/or which interfere with the student's educational program may result in administrative action.

- **Advanced Leave Notification:** Parents should write a letter requesting permission for their student(s) to be absent in the case of a planned absence. This letter should be submitted to the teacher/administration at least one week in advance of the planned absence. This will not be considered an excused absence.

2. Tardiness

The school day begins at 8:00 A.M. and all students should be in their line-up area at this time. Students arriving after 8:00 A.M. are considered tardy and must bring a written note signed by parent/guardian/doctor explaining the reason for tardiness. This note is to be presented when checking in at the office.

Tardiness is defined as arriving late, checking out early, or leaving during the day and returning within an hour. When a student is tardy without a justifiable reason or does not bring a note upon his/her return to school, an attendance notice will be issued. If a student is out for more than an hour, it will be marked as a half-day's absence. If a student receives two tardy notices within a 9-week period, he/she will serve a supervised one-hour study hall on Friday afternoon.

3. Signing In/Out

All students arriving at school after the bell are required to be **SIGNED IN** by a parent/guardian and obtain an admit slip prior to going to class. All students who are to be dismissed earlier than regular dismissal time are required to be **SIGNED OUT IN THE OFFICE** by a parent/guardian prior to departing school.

Permission to leave school during the school day requires a signed, dated note from the parent/guardian explaining the reason for the student leaving or an official signed/dated medical appointment slip. When students are sent home due to illness, they are to be accompanied by their parent/legal guardian or an individual designated and authorized by their parent/legal guardian. This individual will be asked to fill out a form stating that they were called to pick up the sick child. This note will serve as an excuse if the child returns to school the following day.

4. Truancy Policies

A student, who after reporting to school, skips or leaves a class, or leaves the school grounds without an excused permission, is truant. Any student who is absent from school without the knowledge and permission of his/her parent/legal guardian or school authorities is truant. This student will be subject to disciplinary action by the administration and proper authorities will be contacted.

5. Study Hall

Study hall is assigned by the administration only through a written notification. Students must have the study hall slip signed by the parents/guardians and returned to the office the following day. Failure to do so will result in administrative action. Students who receive two attendance notices within a 9-week period will stay after school for one hour on the assigned **Thursday** (or the last day of the school week) from 3:00-4:00 P.M. **No student is exempt from study hall and it is the responsibility of the parents/guardians to make arrangements to pick up their child at 4:00 P.M. A child who attends study hall will not be allowed to go to after-school care following study hall. Failure to serve a study hall without the administration's permission may result in an in-house suspension.**

AFTER-SCHOOL CARE

Students in Developmental Kindergarten through 7th grade enrolled at St. Francis de Sales Cathedral School are eligible to participate in the After School Care Program. This program is provided for students at a nominal, daily rate until 5:30 P.M. each day. Students are provided with a light snack and are provided time to do homework. Individual tutoring is **not** provided during after-school care. Drop-ins are permitted for grades PS through 7th. Parents of students who are not picked up on time will be charged a per-minute late fee. After-school care privileges may be taken away if tardiness persists.

- Must not throw anything from the windows.
- Should not leave books or other articles on the bus.

- For safety purposes, parents **may not** pick up students from the bus line.

Fire drills are conducted at the school on both a scheduled and an unscheduled basis. During these drills, the school is completely evacuated in an orderly and timely manner. At the beginning of the school year, students are told which exit to use during these drills. Students are cautioned to remain calm, move quickly, and leave everything behind.

3. Severe Weather Drills

Pre-season and periodic in-service severe weather drills are held to ensure that staff and students know what to do when a tornado or severe thunderstorm approaches. An alarm will sound to give sufficient time for teacher and students to seek safe shelter in the inner hallways.

4. Medication

Short-term medication (cough drops, cough medicine, Tylenol, Chap Stick, Carmex, lip balm, etc.) of any type cannot be brought to school and cannot be administered by the teacher or office staff. If medicine has to be administered, the parent must come to school and check in with the office, and the student will be

called to the office for the parent to administer the medicine. The office may administer long-term medication (Ritalin, asthma medication, etc.) only if the physician's instructions have been received. Long-term medication and refills **must** be brought to the school office by the parent--not by the student.

5. Search and Seizure

In an effort to maintain a positive learning environment and/or to promote health and safety purposes, the administration reserves the right to search clothing and accessories, personal property, or desks at any time. Contraband materials may be confiscated.

St. Francis de Sales Cathedral School is a drug-free zone and abides by the drug-free laws. The use, sale, or handling of narcotics (tobacco, drugs, alcoholic beverages, marijuana, etc.) is illegal and a serious offense and is subject to suspension and/or expulsion from school. The principal is required by law to contact law enforcement authorities, after which parents will be contacted. This action is not an option.

The law (R.S. 14:95.2) creates the crime of carrying a dangerous weapon by a student on school property, on a school bus, or at school-sponsored activities. Any student found with a dangerous weapon is subject to disciplinary action and consequences mandated by law. The law mandates that a principal or school official notify the parents of any student who is detained or arrested for carrying a dangerous weapon and is required to notify appropriate law enforcement authorities.

DISCIPLINARY SYSTEM

Discipline is the systematic development and training of the student's physical, social, intellectual, moral, and spiritual capacities through guided instruction and controlled self-activity.

Every teacher and aide has full permission to correct or discipline any pupil who violates the rules of the school.

- Writing and/or passing notes.
- Gum chewing. (Absolutely no gum is allowed at school.)
- Uncovered or damaged textbooks.

STUDENTS MUST BRING THE DETENTION SLIP HOME FOR THE PARENT'S/GUARDIAN'S SIGNATURE AND RETURN IT TO THE OFFICE THE FOLLOWING DAY. Forgery of a parent's/guardian's signature on a detention slip will result in an in-house suspension.

Note: use of any of these electronic items during school time will result in an in-house suspension or an out-of-school suspension.

No student is exempt from detention and it is the responsibility of the parents/guardians to make arrangements to pick up their child at 4:00 P.M. Failure to serve a detention without the administration's permission may result in an in-house suspension. A student cannot go to After School Care after he/she serves detention.

C. Suspension/Expulsion

Three detentions in a school year will result in a one day in-house suspension. During an in-house suspension, the student will be assigned class work to be

done in a designated area. This will affect the student's academic and conduct grades. Excessive detentions will warrant further administrative action. St. Francis de Sales Cathedral School reserves the right to expel any student at any time when behavior is deemed detrimental to other students in the school, or behavior is detrimental to the reputation of St. Francis de Sales Cathedral School. In this case, the balance of the tuition will be pro-rated and returned.

CATHOLIC EDUCATION IN ST. FRANCIS DE SALES PARISH

Catholic Education in Houma has a very interesting historical record. On August 3, 1858, six Terrebonne citizens recorded officially their intention to establish a school to be called the Houma Academy. They built the beautiful Houma Academy that stood for many years on Point Street. It was a daring spirit of enterprise on the part of these six men who incorporated their intentions in a legal document to establish private education in Houma.

Their good will, however, could not assure the success of the Academy. The well-proportioned building with twelve rooms, topped with a cupola, and fronted with a balustrade in the front was a fitting monument to their intent. Perhaps this building was too large for the needs of the time and place. Moreover, during the Civil War years the Academy mortgages exceeded \$3,500.00.

This Houma Academy was taken over as the foundation for a new school by the Marianite Sisters of the Holy Cross in 1870. This is, in fact, the foundation of Catholic Education in the Houma-Terrebonne area.

For the first twenty years, the Sisters taught only girls; in 1890, a boys' school was opened and also staffed by the Marianites. The setting of the boys' school for decades was a wood-framed, two-story building on the site of the present parish youth center and rectory. It served its purpose as an elementary school building until the new St. Francis de Sales School was planned by Msgr. Lucien J. Caillouet, begun by Bishop Maurice Schexnayder, and completed in the early years of Msgr. Joseph Wester at a cost of some \$650,000 during the 1951-52 school year.

The efforts of the Marianite Sisters in Houma were reinforced in 1952 by the arrival of the Brothers of the Sacred Heart. The old academy on Point Street became a boys' high school until the completion of co-educational Houma Central Catholic High School in the fall of 1965. The school was renamed in 1966 in honor of Father August Vandebilt for his support of local Catholic education.

There are now approximately 81 priests serving in some 39 parish churches, with some 35 or so religious men and women aided by more than 200 lay persons in educational work alone.

The noble history of Catholic Education in the Houma-Terrebonne area continues today in the same spirit with which it began nearly 150 years ago.
